

**Hungry? do not worry.
We are cooking something ...**

Meanwhile, enjoy the circus (movie) Just Cause. Produced on December 20, 1989 and adapted to 2019.

Same actors and new set location. Starring the Mango Maduro and the Green Uncle. This time the Green Uncle is disguised as a surgeon and performs a minimum access surgery, very little blood and as always a lot of pain. We wish a quick recovery to the Mango Maduro, the chess pieces are not edible! Mango did not focus on the game he spent his time eating unimportant chess pieces and now Green Uncle will be his surgeon.

Do not forget to bring your favorite drink and popcorn. Enjoy the fireworks!
